

Event Profile

Bangladesh International Tourism Fair is the biggest International Travel and tourism event of Bangladesh.

- It is an opportunity for Bangladesh & overseas Travel and tourism related agencies/service providers to showcase their products, meet overseas, local contacts and negotiate business deals and find business associates for both out and inbound tours.
- To provide a one stop access to all travel related products and services to visitors. To facilitate buyers and sellers meet. To interact between association leaders, govt. officials and private sectors of different countries to minimise information gap.
- To highlight Culture and heritage of participating countries
